

Pied Piper Activities...

2012

...creating wonderful childhood memories

In 2012, Pied Piper will be running all your favourites as well as new fun activities including "Film Challenge". So this year are you going to

- be a "hang tough" champion?
- create the longest marble & domino run?
- be the fastest across the inflatable obstacle course?
- be a Wii Mario karts winner?
- have the best dressed teddy on teddy bears' picnic?
- create fabulous talent show props?
- complete the bicycle challenge course?
- get a superstar or megastar award?

As ever all the camps are set in extensive school grounds with great facilities for a fun-packed week. But we know it is the staff that make the camps and children's experiences special. They are recruited on the basis that they have the maturity, personality, caring attitude, enthusiasm and activity ideas to keep things interesting and fun even in wet weather. And we are delighted we have many of last year's staff returning to create lots more fun in 2012.

"Very professional, well organised, excellent staff and most importantly, Ben loved his two weeks here!"

Remember, activities are tailored to the age group so that the youngest child on camp can have just as much fun as the oldest. Each activity session is only 45 minutes so there's lots of variety each day; a mix of indoor and outdoor activities encouraging creative, imaginative, physical and social play.

Our 2012 theme weeks are to include Super Heroes, Olympics (of course!), Wonderful World of Make Believe, Out of this World, Fire and Ice and Wild West. And watch out for the fun days of "Back To Front Day", Pyjama Day, Crazy Hat Day and the ever popular colour days.

So, if you are looking for someone to entertain your child or a treat for your child during the long Summer holidays, Pied Piper camps are where children can have safe fun and parents peace of mind.
